HOT-AIR HAND TOOL

HG 330-S

Precision and flexibility.

The WELDY HG 330-S is a high-performance hot-air blower designed for a wide range of professional and home improvement tasks. With infinitely variable rapid temperature selection and a two-stage blower, it delivers high heat and blowing performance. Ideal for paint or varnish removal, mounting and shrinking plastic films, refreshing plastic parts and more – the HG 330-S makes demanding tasks easier thanks to its strong performance, low weight and ergonomic design.

More Possibilities in Your Hands

MULTI-FUNCTIONAL

Can be used for multiple functions

VARIABLE TEMPERATURE

Infinitely variable rapid temperature selection with two-stage blower

HIGH PERFORMANCE

High heat and blowing performance

PLASTIC REFRESHING

Well-suited for refreshing plastic parts, for example on or in cars
